

# Shawnee National Forest Student Internship Opportunities

## **Current opportunities:**

### **Wilderness Technician:**

#### **Description-**

Do you enjoy spending time in the back country? Are you interested in the management of wilderness and backcountry areas? Wilderness Technician interns will work alongside the Shawnee National Forest Wilderness Technician to complete wilderness monitoring requirements, wilderness rehabilitation projects and hosting groups for backcountry and wilderness experiences. Other experiences will include wilderness trail monitoring, wilderness trail maintenance, wilderness trail construction, traditional tool use and wilderness orienteering.

This is an unpaid internship. Housing may be available at no cost.

#### **Requirements:**

- Personal transportation to the office
- Good physical condition
- Resume
- Available for full day assignments

**Location:** Mississippi Bluffs Ranger District, Jonesboro IL

#### **Dates:**

**2015:** Spring Semester: January 15 thru May 1.

Fall Semester: August 25 thru Dec. 4

**Contact:** Kelly Pearson, Wilderness Technician and Volunteer Coordinator
